Meeting Minutes

January 9th, 1959

The first meeting of the Executive in 1959 was held on Friday, January 9, with President Carl Christiansen in the chair.

1. The new secretary, Mike Tindall, was officially welcomed to the executive.
2. Moved Valerie Watts and seconded by Bryan Isbister that there shall be no card games in the clubroom until after the end of the 1958–59 schedule. Carried.
3. Moved John Sutton and seconded Lynn Warner that the meeting be adjourned.
(1:30) Carried

Editor's note: The new secretary, because of a lack of good filing, her nosey mother, first-day jitters, and an extreme emotional upset, lost her shorthand notes of the minutes for this meeting. As far as she can remember, the above details are correct, and any omissions in the minutes cannot be very important.
