

UBC Film Society

Meeting Minutes

January 28th, 2009

Executives: Regie Sacdalan, Julie Johannessen, Alec Whitford, Jeff Jardine, Jeff Hitchcock, Emily Keller, Jacob McNeil, Chris Gilling

Members: Squished Dead Earthworm (formerly Lord Dragon)

- **Lord Dragon** is changing his nickname to "**squished dead earthworm**", as the lord dragon is far too noble a beast to describe his pathetic destroyed state.
- **Proj Booth:** why were kernels all over the floor? whyyy. no one has any idea.
- **Jeff H:** When training next theatre manager, teach them to put boxes of candy downstairs! and put recycled cardboard down by ams stores in the bailer.
- Theatre is free tomorrow; nice and free for jeff j.
- **Treasurer:** 14k in our accounts, as always.
 - Still needs reminders for **journal vouchers**. For various ams organizations we've done stuff for.
 - Tell every person that's gonna pay us with journal vouchers to put SOME documentation re: what the event was for!
 - Floats are \$20 short :(stupid sunday messing it all up!
 - So...apparently 5 and 10 bills look the same to alec. Unofficial motion that we don't hire **colourblind** treasurers from now on. :P
 - Alec's thinking of implementing **balance sheet for the floats**.
- Raising possible item of **filmsoc t-shirts**? we would probably pre-order.
 - Or we can get t-shirts for supercheap: \$5 each, as long as we order ~100.
 - Idea: we could give them out as prizes!

- Idea: if you wear the shirt, you get **free popcorn**.
- Idea: 7 shirts stashed in the proj booth and volunteers wear them each night. (note: **this is disgusting**, let's not do this.)
- ...let's do market research.
- If we get them, should put "ubc filmsoc" on the shirts. "ubc film society" may be **too pretentious** for us :[
- **Jeff J**: there's a short turnaround time for movies next week, but no complaints yet!
- Jeff unofficially motions that we get free pop for showing up at the meetings.
- **Social Stuff**: we need to do more social events! zombie night connected w/ zombie walk? Get bruce campbell to speak at the theatre ahahah.
 - **Zombie night beer garden?** in october, for halloweeny stuff.
- NOTE: don't advertise that it's possible to play house of the dead for free :(
- **Emily**: Regie booked the whole night of the 7th!
- Office alarm! we should look into getting a new button panel please. :(also, reminder: if the security company calls, **you have to use a name from last year's exec**.
- **Equity office**: whatever we already have an agreement on, just do that. 50/50!
- **Oscar party**: sunday night, 5-8pm.
 - Open it up to everyone.
 - Stamps yes/no? it won't be up to us to check the stamps, so...
 - ...or we could have a separate fooding area. ooooh yeah, **spatial segregation**.
 - Betting pool: \$2 for members, \$3 for non-members.
 - And we shouldn't keep half the profit; just give it to them. We can keep the dollar from the non-members!
 - Could also sell pop for a dollar and make **a lot of money** on that.

- **Banquet:** If jason doesn't feel up for booking the banquet, we can foist it onto someone else; we'll see!
- **I want pie.**
