February 25<sup>th</sup>, 2009

**Executives:** Jacob McNeil, Julie Johannessen, Jeff Hitchcock, Jeff Jardine, Emily Keller, Rachel Coe, Jonathan Deitcher, Sandie Chen, Jonathan Serion, Regie Sacdalan

**Members:** Lord Dragon

- Julie is very sad she skipped class on Monday and therefore missed the **Watchmen truck** :(
- NB! The bubonic plague has broken out in Bangladesh! **Alec is worried.**
- Chanilla/vanocolate Oreos: HMMMM.
- When people pick up Watchmen passes: check the list for their pass, get them to match photo ID to the list
- For screening, open at 6PM at the latest.
- **Jeff H**
  - Projection booth windows are now clean on outside (yay!). We don't owe them anything! Huzzah for ex-filmsoc members.
  - Also crew coming in today to check on our vent problem, get our heat working/not working as much.
  - Also requested Friday, after screening, move screen all the way back to work with lights. NB: Email Jeff J about this :]
- **Emily**
  - Production this weekend, planning on getting grip equipment: clamps (~\$30). She should also check for mic stands. No objections!
- Can give **Tim the Editor** code to the clubroom office.

- **Oscar pool:** Winner got 21/24. Impressive! Jason may possibly have skimmed \$3 from the Oscar pool. Who knows.
- **Jeff J:** Talked to cinematronics guy, says we can get big reels for our setup if we wanted to. 2-300 dollars a reel? He should look into this!
- Chinese club got approval for a Friday in October; Moon Festival?? We'll say no and see what happens.
- **Alec:** Trying to book our banquet with Empire Landmark; they gave us an invoice for \$3200 that needs to be paid by Mar 20, but in order for us to get it paid, we need an... unsigned contract. Stupid AMS constitution!
- Emily and Rachel are having a **raging war** about chicken vs. beef.
- Jon D's laptop now belongs to Jeff H. OH WAIT NEVERMIND.
- Anyone want to go to Watchmen release party Friday night?...Julie thinks Regie should email her the information, juuust in case.
- **NEWSFLASH:** Jason only cares about Alec :) Aw. Jason changed the banquet all for him! What a dickhead Alec is turning into! (Alec re: members not getting access to clubroom: "WELL FUCK THEM")
- **Security alarm thing:** VOTING ON WHETHER OR NOT TO PAY \$95. 5 yes votes. 1 abstention. Is Emily Chris' proxy or not? Who knows! We don't know the words spoken between lovers!
- OH MY GOD **ALEC JUST SPOILED SLUMDOG MILLIONAIRE** FOR US, SPOILER ALERT, WHAT A DICKHEAD, MEETING ADJOURNED
  - He is a personification of a) the internet, b) evil.
