Members: None

— **Alec**

- The AMS says we need Equity Officers! Alec is super excited about it, Grace maybe isn't, but she gets to do it anyway! Hooray!
- Sustainability Officers—Will look great on your resume! Perhaps should be the theatre manager? Clubroom admin? All of us!

— **Sandie**

- Wants Alec to let her know which groups have paid us already. This is difficult, but he'll look into it. Shit will be overhauled!

— **Jeff J**

- We have proj/FM and 1 volunteer for banquet night, so the screenings are on.
- Dan isn't banned, and hasn't sign up much? Maybe he didn't know he was supposed to sign in. Maybe he is a liar.

— **Jon D**

- Rock Band on Friday the 27th @ 4pm. Vivek is brining equipment. Mike is setting up.

— **Mike**

- Should do FM training. Maybe be done by the end of the year!
- **Jason**
  - Passed around the banquet menu. Banquet is nice.
- **Sandie (again!)**
  - Claude wants us to sponsor his short film festival. Would be 3-4 hours on June 1st or May 1st. He'll need to be ok with no confirmation until 2 weeks before. We need to check staff availability and find out if he plans to charge admission.
  - NIN guy maybe doesn't even have permission to show the DVD! Ha!
- **Emily**
  - Wants to change film festival start time to 7:30pm. Ok!
  - May not close festival submission on Friday...not many good films yet. :(
  - Rough cuts are in progress.
  - Wants free Red Bull! Will probably have 60–100 people?
- **Jeff H**
  - We should get a new domain name! [www.ubcfilmsociety.com](http://www.ubcfilmsociety.com)
  - Should we still use AMS server? Set up our own? Pay for another?
  - Can we even get a new IP address for the clubroom?
- **Regie**
  - We have to clear the theatre hallway.
  - We should also clear off the proj booth fire escape hatch.
  - Old execs need to train their replacements. Write up a description of what you do with helpful tips/info. Keep doing duties though.
  - Will email the awards list to old execs.
  - New/returning execs: read the constitution for next week!  
(<http://www.ams.ubc.ca/clubs/filmsoc/constitution.pdf>)

- **Rachel** (didn't really talk about this at the meeting, and you all probably know this already)
- Fox will not let us show Slumdog, even though IT WILL ALREADY BE ON DVD.  
They are SUCH ASSHOLES!
- But we get to show Waltz with Bashir instead! Yay! Slumdog sucks! (Although it would have been a box office juggernaut.)
- Jeff or Tim need to change the marquee after Thursday's special screenings.
