- Jesse is being reminded to do lots of things.
- Jesse needs to put posters all over campus.
- Yup, Grace got the prizes for The Hangover.
- **THE HANGOVER**
  - Do we have FMs? Nope, but we do have projs! Signup sheets are up, emails going out.
  - We still need to hustle people out in 17 minutes after the movie. All hands on deck to get 300 people out: **cattleprods, airhorns, whips.**
  - Lots of extra garbage cans for the cups.
- Need A **TON OF MONEY** to pay for the booze next Thursday afternoon (5pm)—Rachel will go w/ Jesse.
  - Jesse's got \$200 for picking up SOL license.
- **AGM:** Rachel will get Grace the pizza #s tomorrow evening.
  - Haven't prepared a poster auction.
  - Grace: Plan for social events. & ask any members if they do want to come to VIFF seminar.
- Member email: AGM, info about volunteering, productions, delivering flyer to T-bird.
- Flour beetles. :||||||| They are horrendous and horrific. Tim called Cinematronics; they said it wouldn't hurt to cover the projectors while Raiding.

- Rob said he can buy some hardcore razor-wire powder for the bugs.
- Tomorrow, we Raid everything.
- Get snap bins for the candy boxes, and make sure people recycle popcans instead of leaving them around.
- What brought the beetles? Popcorn on the floor, open popcans, and the **promise of world fame.**
- We should clear out the proj booth once per week or something, jesus christ.
- **Ordering**
  - Tim will order more candy for Friday. We have a brand-new candy sheet! And Tim recs we switchover to Pepsi products (cheaper). RESOLUTION: Keep Coke, but can switch over all the other products.
  - See how much popcorn sales go up by not having candy available.
  - Julie going to Costco: snickers, M&Ms, Kit Kat, skittles, twix, cherry blasters.
- Amnesty International: Amnesty Film Festival. They can put flyers around here, and we'll waive the slide fee for two months. Our reward: positive karma, as long as they don't get **genocided.**
- Chris' purple Bruno/Transformers poster is totally awesome.
- Reg. flyers are OK except for T-bird.
- PRE-HALLOWEEN COSTUME THANG: Let's give away popcorn to costumed people instead of candy. **Profit!!**
  - Friday 23rd, in the week before Halloween: HP + Drag Me To Hell.
- Olympic people want to revitalize the Chapman discussion series. Show Olympic film, discussion afterwards. Do we want to collaborate on the project?
  - CONDITIONAL YES, BUT ONLY IF THE MOVIE IS **COOL RUNNINGS** :D :D
