Meeting Minutes

March 8th, 2010

Executives: Rachel Coe, Mike Coutts, Alec Whitford, Caity Brown, Tim Fernandes, Julie Johannessen, Grace Okine, Chris Gilling, Jacob McNeil

- **AGM:** Rachel won't be there. So do a good job!
 - Mike: MC, as person running for chairperson. Can also create Powerpoint. (**ULTI-MATE POWER-POINT!**)
 - Grace: (Cheap) Pizza.
 - Jacob: Will do poster sale/auction as practice!
 - Caity: Trivia.
 - Tim: Getting treasurer practice from Alec.
 - Julie: Help set up pizza area with Grace.
 - Alec: Will make ballots: for every person running, a 'no option', and a blank space.
 - Will need people to distribute/count/etc the ballots!
- Jeff isn't coming, because he's a **dildo**.
 - Website :(
- **Oscar party:** Went well! People showed up (approximately 30, give or take 10). 50% of facebook!
- **Banquet:** Have it reserved for Sunday the 18th! Should be able to pick start time in the evening. Credit limit at 7 = 51 eligible filmsoc members. We can have up to 200 people—could do buffet after all! Maybe opt out of the ~\$300 cost. Because tables are not linen.
- Rachel needs to do the awards for the banquet!!
- **A Hard Day's Night:** Needs someone to pick up booze. Alec!

- Posters!
- Mike to record CITR PSA! Make it as loud as you possibly can, Mike. As many explosions as possible.
- Jacob is responsible for making a **good radio ad** next year.
 - CiTR members get cheap price to come.
- Michael From Upstairs came down, asked if we wanted to give up some of our production suite to the Delly so they could have a fridge in there, and maybe we could get paid. Would need cleaning/renovation & another door from outside.
- **Indieweek**: Not show anything on Sunday, so we don't need to find a projectionist who doesn't want to go to the banquet. Everyone's cool with showing Chris Gallagher's film. Everyone is giving it to us for free.
 - 5 for members, 10 for non-members. There are 5 different things that you could pay for.
- We should have a **fireworks machine** for the Norm so we can blast celebratory music for our 1000th member. Rachel walks in carrying a giant cheque saying \$0.
- Alec should stay in Vancouver and be Productions Manager. **Alec does not have a future** because he dug it up.
- Filmsoc should all live together in one massive house and retain the exact same duties we have now.
- Mike: GO BANANA! Rachel: That's not business, Mike. You have to be more professional.
- **THE END.**
